1-2 October

The University of Wollongong (UOW) is excited to present a new series of school holiday workshops designed to ignite creativity and foster skill development among high school students. Led by UOW academics who are experts in their respective fields, these workshops offer hands-on experiences in creative writing, journalism, and visual arts.

These workshops aim to inspire students and strengthen their connection with the university community, providing a glimpse into the vibrant academic environment at UOW. Register now to attend!

3 October

Learn what it takes to plan and produce a film shoot in this intensive film production workshop. You will get hands-on with cameras, lighting, and the latest in virtual production LED screens. Industry-experienced filmmakers will guide you in taking your script through the various production stages.

In this workshop, we will fast-track the film production process by choosing one scene and taking it through the pipeline from idea to finished shots. As part of this process, participants will be leveraging virtual production sets! This is an exclusive opportunity to learn more about this revolutionary technology which is empowering filmmakers.

This workshop is suited to participants that are interested in learning more about film, working in film crews and developing their own short films.
