UAC Early Bird Processing Deadline Approaching

30 September

For anyone wanting to apply for undergraduate study in 2025, we encourage you to complete and pay for your application before midnight on 30 September, when the processing charge increases. Once you've applied, you can change your preferences as many times as you like, no charge!

[Pathways to Your Dream Degree](#)

Applying for uni next year but worried that you won't meet the ATAR requirements for your dream degree? Most institutions offer pathway options for applicants who don't meet the standard entry criteria for their courses. Often, you'll be able to find a different avenue into the course you're aiming for.

If you don't get an offer into your chosen degree because you haven't met the required lowest selection rank, you could start an alternative undergraduate course with a lower entry rank. Once you've successfully completed the first year of that degree, and have results that will improve your selection rank, you can then apply again for the degree you really want. (See how to transfer to a different degree.)

University - Institutes

[University of Wollongong - Pathways information session](#)

29 September

At UOW College, we offer pathway programs that can guarantee* entry to the University of Wollongong. Many of our courses allow you to start in the second year of your degree, so you won't lose time. Whether you're just exploring your options, have already applied, or received an offer—this session is for you. Staff will be available to answer your questions live.

[University of Wollongong - Creative and Performing Arts Workshops](#)

1-2 October

The University of Wollongong (UOW) is excited to present a new series of school holiday workshops designed to ignite creativity and foster skill development among high school students. Led by UOW academics who are experts in their respective fields, these workshops offer hands-on experiences in creative writing, journalism, and visual arts.

These workshops aim to inspire students and strengthen their connection with the university community, providing a glimpse into the vibrant academic environment at UOW. Register now to attend!

[University of Wollongong - Summer Master Classes](#)

Applications Close 26 October

With a range of subjects to choose from, our three-week Summer Master Class program allows students completing Year 12 the opportunity to study a university subject.

Summer Master Class is for students who will be completing Year 12 in 2026.

The program will run 5 - 23 January, 2026. Students will also be required to attend an Orientation afternoon on Monday 8 December, 2025.

[Book Your Audition for Western Sydney Music](#)

To request an interview for the degree, book a time through the link below. You will be asked to perform two short, contrasting pieces or songs (or excerpts of two pieces) and/or perform one piece and present one or more compositions as scores and/or recordings. Works performed can be covers or originals, performed solo or with accompanying musicians or with backing tracks on your phone.

[University of Sydney HSC Consultations for students studying Aboriginal Studies](#)

Program Date - 13 November

Led by Ms Irene Wardle, Indigenous Studies and Aboriginal Education lecturer within the Sydney School of Education and Social Work in collaboration with Kinchela Boys Home Aboriginal Corporation and Aboriginal community representatives, the program aims to support HSC Aboriginal Studies students and teachers in Part III Research and Inquiry Methods: Major Project of the HSC Aboriginal Studies syllabus requirements.

The program engages in effective and genuine community consultation, focusing on cultural protocols and qualitative methodologies to be used by students in creating their Major Project.

[Closing Soon - University of Sydney - Single Scholarship Application Form](#)

30 September

Must have the University of Sydney in your UAC preferences by 30th September

We're dedicated to supporting you throughout your time at university. We offer a wide variety of scholarships for domestic undergraduate students.

To make the process easier, we've created a single application form where you can be considered for most of our domestic undergraduate commencing scholarships.

[University of Sydney Bridging Courses for Maths and Sciences](#)

Before Year 12's go into full study-mode, we wanted to flag that we have some support courses for students wanting to enter into tertiary education but need some background knowledge in Biology, Chemistry, Mathematics Ext 1 and Physics. These courses don't open until next year, but students can sign-up to the Bridging Course Mailing List for updates, and check out some course details on our Bridging Course webpage.

[Reminder - University of Sydney Webinar - Indigenous Futures at Sydney: Last Chance for Scholarship Applications](#)

25 September

As the scholarship application deadline approaches, this yarn will offer a final opportunity for you to ask any remaining questions regarding the scholarship applications. Don't miss this chance to ensure you're fully prepared!

[University of Sydney - 2025 Gadaluṅ Program Expression of Interest](#)

Applications Close 28 September

Apply today to join our on-campus residential program for Year 11 indigenous students, held 8-12 December.

[University of Sydney Webinar - Bachelor of Wildlife Conservation \(Taronga\)](#)

https://uni-sydney.zoom.us/webinar/register/WN_wZfnqAojTEC3TJgaexCtSA#/registration

[University of Sydney Webinar - Chemical, biomolecular and environmental engineering](#)

29 October

Chemical and Environmental Engineering are closely linked fields that address global challenges like clean energy, water security and pollution control. Chemical engineers transform raw materials into valuable products across key industries, while Environmental engineers focus on protecting ecosystems and public health.

At the University of Sydney, Environmental Engineering draws on Chemical, Civil and Mechanical Engineering, reflecting its interdisciplinary approach and real-world impact.

Join this webinar to explore how our degrees in Chemical and Biomolecular Engineering and Environmental Engineering combine practical learning, research and industry experience to help you build a more sustainable future.

[University of Sydney Webinar - Your passport to become a global citizen: Languages at Sydney](#)

5 November

Passionate about languages and global communication? Discover how the Bachelor of Languages and other flexible study options can help you major in up to two languages, build translation and intercultural skills, and study overseas with a \$5,000 scholarship. Learn about real-world industry projects and alternative pathways like the Diploma of Language Studies, ideal for combining language learning with any degree or pursuing it after graduation.

[University of Sydney HSC Preparation Courses \(Years 10-12\)](#)

Are you nervous about tackling the HSC? Take it from us – every successful HSC begins with preparation. And now, our team of experienced educators have got you covered, with a comprehensive program of HSC preparation courses.

Led by our highly experienced team of educators, each intensive course is tailored around a critical aspect of the HSC curriculum and offers up-to-date subject knowledge and skills. These intensive holiday courses are perfect for consolidating your school studies and developing key subject knowledge that'll give you an edge when it comes time to sit your exams. Plus, our expert tutors will teach you examination skills designed to invigorate and challenge your approach to the test material.

Classes available for:

- Essay Writing (Yrs 10-12)
- Study Methods (Yrs 10-12)
- HSC Business Studies
- HSC Physics
- HSC Economics
- HSC Biology
- HSC Mathematics - Standard 2

[The Women's College within The University of Sydney – Applications and Scholarships](#)

Scholarships for the 2026 academic year are now open. Applications close 7 October

The Women's College offers a number of scholarships for resident students. These are awarded on the basis of a combination of academic potential and financial need. Scholarships are available, for example, to students from:

- Government schools
- Rural areas
- Indigenous and Torres Strait Islander backgrounds
- Postgraduate students undertaking medicine or scientific research
- Students studying performance at the Conservatorium of Music.

Music scholarship auditions will take place in early December and applicants will be advised of the audition date closer to the time.

Students seeking consideration for a residential scholarship must first complete the residency application.

[ACU Discover Teaching & Psychology at Strathfield Campus](#)

1 October

Are you passionate about shaping young minds or helping others thrive? Take part in hands-on workshops where you'll gain practical insights into what it's really like to work as a teacher or psychologist.

Tour our facilities and hear firsthand from current students about their rewarding journeys and experiences in these impactful fields.

Whether you're interested in becoming a teacher or pursuing a career in psychology, this event will give you a closer look at how ACU can help you make a difference in the lives of others.

This free event is designed for high school students in Years 10 to 12, however anyone, including parents and caregivers, are welcome to attend and participate in select sessions.

[ACU Discover Business at ACU North Sydney](#)

3 October

In today's fast-paced world, where technology and AI are reshaping industries, are you ready to take on the challenges of the modern business world? Discover how ACU can help you become a business leader, entrepreneur or social innovator in the modern global economy.

At this event, you'll take part in a hands-on workshop with current students and staff to learn how ACU can kickstart your career in business.

You'll explore the unique opportunities we offer, from working with cutting-edge technology and machine learning to making valuable industry connections, engaging with the community, and even studying abroad.

Don't miss your chance to discover how ACU can prepare you to lead, innovate, and drive positive change.

[CSU Accommodation Applications Now Open](#)

Applications Now Open

Everything is on the doorstep when you live on campus – you're at the heart of things! We have accommodation on all six campuses, offering a great mix of country and city living in a safe and supported environment. Popular options fill up quickly, so it's recommended that you get in early.

[CSU Transgrid Civil Engineering Scholarship](#)

Applications Now Open

The new Transgrid Scholarship Fund will support 100 Charles Sturt engineering students over a four-year period and will supply them with \$20,000 each to put towards the cost of their study.

The \$2 million-dollar multi-focused scholarship is open for ALL commencing students undertaking a Bachelor of Engineering (Civil) (Honours) or a Bachelor of Technology (Civil) / Master of Engineering (Civil) at Charles Sturt.

[Charles Sturt University - Online Parent Information Session](#)

22 October

As your teen starts researching their dream university, this online session is here to help you support them through one of the biggest decisions they'll make – choosing a university.

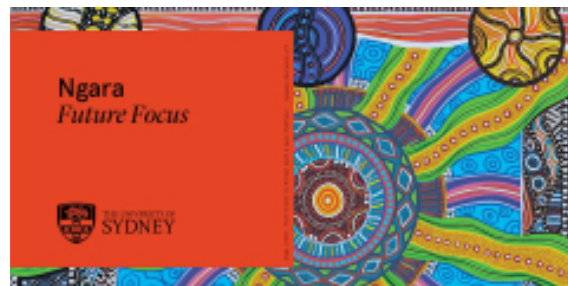

Hear directly from experts as we guide you through key areas of interest and application processes, share tips for navigating Year 12 and highlight the unique opportunities available at Charles Sturt.

Whether you're looking for general information about university or specific advice to assist your teen, this is the chance to ask questions and get the answers you need.

[UNSW Ngara Future Focus Program - Year 11 Transition to Year 12](#)

24 October

University of Sydney's Ngara Program is an on-campus event for Year 11 Aboriginal and Torres Strait Islander students.

[Southern Cross Scholars Program](#)

Applications Now Open, Close 13 February

Program Dates - 9 March – 17 April 2026

The Southern Cross Scholars program offers Year 11 & 12 students the opportunity to study a university subject while still in high school.

This free 6-week program (9 March – 17 April 2026) gives you advanced academic skills to help you blitz your final years in high school and offers you the choice of a subject of interest. You also get the chance to experience university life at one of our campuses or online.

Successful completion of the program puts you in the running for a generous scholarship that can make your uni goals that much sweeter.

[University of Newcastle Joint Medical Program - Miroma Bunbilla Program](#)

1-5 December

The Miroma Bunbilla Program is a pre-entry pathway to the Joint Medical Program held from Monday 1 December to Friday 5 December 2025. If you are currently studying and/or satisfy the academic requirements you may be eligible to participate. Participants are required to attend all scheduled sessions within the 5 day program.

Consideration for entry to the JMP through this pathway is based on establishing your Aboriginal and or Torres Strait Islander status within the University, successful completion of the MSA, satisfying the academic requirements, mandatory attendance at all scheduled activities and achieving successful results in all graded activities. Should a participant miss any scheduled activity or session for any reason the participant will be withdrawn from the program and will not qualify to be considered for entry to the JMP through this pathway. This does not exclude applicants from re-applying for future programs.

[University of Newcastle TAFE to Uni Webinar](#)

22 October

Interested in taking your studies to the next level? Join us online to learn why TAFE and vocational qualifications are an excellent and popular pathway into the University of Newcastle.

Tune in to meet our admissions staff and student ambassadors. You will learn about what it's like studying at our University, TAFE and other vocational qualifications entry pathways, how to apply, scholarships, jobs on campus, support and services and more!

Hear from our student ambassadors as they share their experiences as TAFE to university pathway students. They're excited to meet you and answer all of your questions. Don't miss this opportunity! Register now

[University of Notre Dame Young Achievers Early Offer Program](#)

Round 4 Deadline - 1 December

If you're a Year 12 student, this program could be just what you need to secure a place at a university that values your growth as a person, not just your academic achievements.

An early offer can give you the security of knowing you have a place to study at university before the main rounds of offers.

The Young Achievers Early Offer Program at Notre Dame is open to students undertaking Year 12 in Australia.

It is an excellent opportunity for you to feel confident as you work towards your final exams.

[CQ University Principals Recommendation Scheme](#)

Application Close 24 November

Our Principal's Recommendation Scheme (PRS) provides an early entry pathway for Year 12 students to apply to an undergraduate CQU course based on their high school principal's recommendation rather than ATAR. Students can receive an offer within 48 hours of submitting their application - without waiting for their Year 12 results.

Open to all Year 12 students; the Scheme is designed to assist capable students to access entry to CQUniversity; it in no way provides relaxation of the quality and academic standards that students must meet to complete their degree successfully.

[UTAS' Schools Recommendation Program](#)

Final Round Applications close 4 October

The Schools Recommendation Program offers year 12 students the chance to receive an early offer for a place at university, providing peace of mind and the freedom to focus on finishing your studies.

If you're an Australian year 12 student, you can apply for up to five courses, including your dream course. With options including double degrees, undergraduate degrees, and pathway programs, you can map out the rest of your academic journey with certainty and flexibility.

Some courses, like Paramedicine and Medicine, aren't part of this program, due to competitive entry. However, you can still include them in your early application, and they'll be assessed after your ATAR is released. Early offers may still be made for your other course preferences.

[UNSW Medicine Application Closing Soon](#)

Apply By 30 September

Students must submit their application through the Medicine Application Portal by 11:59PM 30 September.

[UNSW Water Research Laboratory Open Day](#)

25 October

Ever wanted to know why rips form in the surf? Or what happens to all the sand on the beach in a storm? What amount of water does it take for a car to float? How are dams, harbours and breakwalls designed? And how, exactly, do these things get tested anyway?...

Come tour our massive labs, meet the experts, and see engineering and science at work.

Based on Sydney's Northern Beaches at Manly Vale, the UNSW Water Research Laboratory (WRL) is one of the biggest scientific and engineering facilities in Australia, tucked away below Manly Dam.

[UNSW Current Affairs in Aviation Short Course 2025](#)

7-8 October

Join our two-day Current Affairs in Aviation short course on 7 & 8 October 2025 and discover where the industry is heading, gain insider insights from professionals shaping aviation's future, learn how our industry-taught courses can fast-track your career, and make real connections with aviation leaders such as Stevan!

[UNSW Indigenous Australian Engineering School](#)

Apply By 7 November

The Indigenous Australian Engineering School (IAES) is an annual residential program established by Engineering Aid Australia. In 2026, the IAES will be hosted at UNSW Sydney from Sunday, January 11th, to Saturday, January 17th. The program aims to provide young Indigenous Australians with exposure to engineering and other STEM principles as potential university courses and career paths.

University - General

[UCAT Early Interview Training](#)

Every year we meet a lot of students expressing their regret and disappointment for leaving Interview preparation until the actual period when the interview offers are made. The big issue with this is that quite often there is simply not enough time for adequate preparation between the time when the interview offers are made and the actual interview date.

Just as with the UCAT, we cannot stress enough that students cannot underestimate the medical interview or take it too lightly. Furthermore, it is a highly competitive forum where the student will be assessed against other candidates who have not only aimed as hard to achieve their goals but are also just as sincere and strong-minded in their desire to be interviewed successfully.

[AIQS Donald Napier Scholarship - Closing Soon](#)

Applications Close 1 October

AIQS offers a number of scholarships each year for Year 12 students who qualify for entry into a Quantity Surveying, Construction Economics, Construction Management (Economics) or other appropriate course at an AIQS accredited program in Australia.

There are four scholarships offered each year

The value of the scholarship is AU\$5,000

TAFE

[University of Newcastle TAFE to Uni Webinar](#)

22 October

Interested in taking your studies to the next level? Join us online to learn why TAFE and vocational qualifications are an excellent and popular pathway into the University of Newcastle.

Tune in to meet our admissions staff and student ambassadors. You will learn about what it's like studying at our University, TAFE and other vocational qualifications entry pathways, how to apply, scholarships, jobs on campus, support and services and more!

Hear from our student ambassadors as they share their experiences as TAFE to university pathway students. They're excited to meet you and answer all of your questions. Don't miss this opportunity! Register now

[Autosports Group Apprentice Program](#)

Launch your career with the Autosports Group apprentice program, an opportunity to develop your skills while working with some of the world's most exciting and well respected automotive brands.

An apprenticeship at Autosports Group provides individually tailored training and learning experiences, delivered in a realistic working environment under the guidance of qualified industry professionals.

At Autosports Group, we offer four different qualifications:

- Certificate level III in Light Vehicle Mechanical Technology*
- Certificate level III in Parts
- Certificate level III in Paint
- Certificate level III in Panel

And you also have the option of furthering your trade by undertaking additional qualifications in Auto Electrical, Parts Interpreter, Service Advisor, Body Repair Technology or Paint Refinishing.

[Women in Construction](#)

At Master Builders we lead the way in encouraging women to the Building and Construction industry. We are proud of the processes we have in place to support women throughout their career in the industry.

Master Builders is committed to an industry that is diverse, equitable and inclusive. In 2024, we have record numbers of female apprentices in our programs. Of all MBA NSW apprentices, 10% are female. This is more than double the industry NSW average of 2%.

Take your place in one of Australia's largest industries and become a Master Builders Apprentice. Through our mentoring program, you are choosing a career where you are heard, seen and supported wherever you are on your journey.

[Western Sydney University Ignite Indigenous Traineeship Program](#)

The Western Sydney University Ignite Indigenous Traineeship Program is delivered by the Division of the Deputy-Vice Chancellor Indigenous Leadership and provides a vocational pathway for Indigenous participants to gain paid experience in university operations as business administration trainees.

Participants are employed as professional staff members and will acquire a unique business skillset from a host Division or Faculty within the university. The program offers a one-year fixed term of employment in combination with enrolment into a Certificate III in Business.

While employment following the traineeship is not guaranteed, trainees will be encouraged and supported to apply for ongoing or fixed term employment and/or further study opportunities.

We welcome all interested Australian Indigenous people to submit their Expression of Interest.

[1300 Apprentices - Early Apprentice and Traineeship Intake](#)

Our early offer apprenticeship and traineeship opportunities are calling.

Imagine learning while earning a full-time wage, gaining hands-on experience in a real work environment, and achieving recognised qualifications—all without the burden of student debt.

At 1300apprentice, we have some of the best host employers in their industries looking for motivated apprentices ready to start in 2026.

You will be employed through 1300apprentice and paid while you undertake a certificate through an accredited Registered Training Organisation while you learn on-the-job skills in your chosen vocation.

Get in early to secure your early offer traineeship and finish your HSC, knowing that you have your career ready and waiting for you.

[NECA's Electrical Open Day](#)

7 October

See how Australia's future electricians are trained

We're inviting you and your students to experience firsthand how NECA Training & Apprenticeships develops the next generation of highly skilled electricians.

At our Open Day, students will:

- Tour a state-of-the-art trade training centre
- See live demonstrations of electrical training in action
- Meet qualified trainers and current apprentices
- Learn about career pathways in the electrical and communications industry
- Discover how NECA supports apprentices from start to finish through our Group Training Organisation model

Private Colleges

[ICMS HSC Study Session With Dymocks Tutoring](#)

8 & 9 October

Are you a current Year 12 student stressed about your upcoming HSC exams? Don't be! ICMS, in collaboration with Dymocks Tutoring, is thrilled to invite you to our FREE revision days.

Throughout the day, you'll have the incredible opportunity to attend up to three sessions run by expert tutors from Dymocks. These sessions are designed to cover a range of subjects, including English, Mathematics, and Business Studies. Whether you're looking for a comprehensive review of all modules, seeking valuable tips and tricks, or in need of practical guidance on how to excel in the HSC exam, this event is tailored to meet your needs.

[ACPE Scholarships](#)

ACPE is very proud to award scholarships to commencing students to acknowledge achievement and recognise those who are willing to go above and beyond, who will ultimately succeed and become active contributors within our community. ACPE is committed to providing an equitable program that promotes success and inclusivity across a range of population groups.

[SAE Scholarships](#)

SAE scholarships and bursaries invest in future industry professionals – rewarding creative skills, academic excellence, and strong leadership.

We offer a range of domestic and international scholarships to assist students during their studies, including partial tuition scholarships and direct cash bursaries, to support our students in regional and remote areas with the cost of living on campus.

[Sydney Flight School - March Intake Applications Now Open](#)

Limited Places Left for March 2026

This comprehensive Double Diploma combines SFC's AVI50222 Diploma of Aviation(Commercial Pilot Licence - Aeroplane) and AVI50519 - Diploma of Aviation (Instrument Rating).

The Commercial Pilot Licence (CPL) is the minimum requirement to earn a living as a pilot in Australia. You'll start your training learning the fundamentals of flight in single engine aeroplanes such as the Piper Warrior, before progressing towards larger and more complex aircraft culminating in your CPL flight test being performed in the legendary Cessna 182T Skylane. We'll arm you with all the non-technical and technical skills required to work in the industry as a professional pilot. No previous knowledge is required!

Once you have obtained your Commercial Pilot Licence, it's time to level up and excel.

[Sydney Acting School - Acting and Musical Theatre Applications Now Open](#)

Applications Now Open for 2025

With applications now open for 2025 courses, aspiring actors and musical theatre performers have the perfect opportunity to join our dynamic community and take their first steps towards a fulfilling career in the performing arts industry.

[Sydney Design School Info Sessions](#)

1 October

Find out everything you need to know about our world class courses and personal support. Our Director, Amanda Grace will introduce you to our industry focused approach to learning. Register below.

[Sydney Design School EVET Info Session](#)

26 November

Curious about our EVET program for Years 11 & 12? Find out about this unique multi-disciplinary creative course, offered on campus and virtually, in term time and school holidays. Register below to receive a link closer to the date.

[Sydney Design School Interior Decoration Workshop](#)

30 September - 1 October

Be inspired. Be creative. If you love interiors magazines and beautifully styled spaces, this fun two day workshop is for you. It's perfect for any interiors enthusiast who wants to decorate their home with skill and confidence. Perhaps you're considering a career in interiors? This beginners workshop will give you a taste of the Certificate IV in Interior Decoration course and you'll get a feel for our School and the passion of our Educators.

[Basair Info Sessions Sydney Pilot Career Seminar](#)

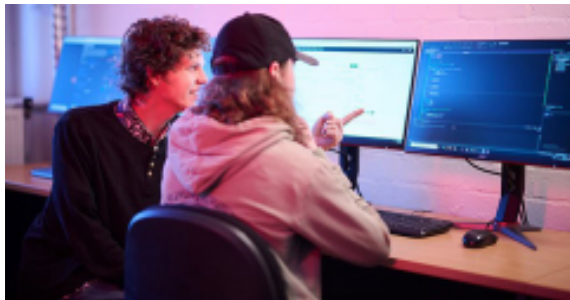

Next Session 21 October

Learn about a career as a Commercial Pilot at one of our free information seminars. Basair Aviation College runs monthly seminars in Sydney, Brisbane and Newcastle. Learn more about a career in aviation and the benefits Basair can provide for your training as a commercial pilot.

[Want to fly a 737?](#)

Ready to embark on a flight adventure like no other? Book your 737 simulator experience today and discover the thrill of sitting in the left hand seat of a commercial jet.

[AIE Games and Animation Workshop Day](#)

1 October

AIE's Games and Animation Workshop Days are a great opportunity for students in Years 10, 11 and 12 to learn about the local and international game development, 3D animation and visual effects industries. Students will get the opportunity to learn about the different pathways to get into the industry, what should be in a portfolio and will be able to get creative in practical workshops using industry-standard 3D animation and game development tools.

The sessions are run by industry professionals who have worked on blockbuster games and films. Everything is provided for you to participate in the hands-on workshops and you will be using the same software that is used in the industry.

If you are thinking about a career in the games or film industry then this is a great place to get started. Places are limited so registrations are required for this free event.

[AIE Film Production Workshop](#)

3 October

Learn what it takes to plan and produce a film shoot in this intensive film production workshop. You will get hands-on with cameras, lighting, and the latest in virtual production LED screens. Industry-experienced filmmakers will guide you in taking your script through the various production stages.

In this workshop, we will fast-track the film production process by choosing one scene and taking it through the pipeline from idea to finished shots. As part of this process, participants will be leveraging virtual production sets! This is an exclusive opportunity to learn more about this revolutionary technology which is empowering filmmakers.

This workshop is suited to participants that are interested in learning more about film, working in film crews and developing their own short films.

[AIBI Higher Education - How Artificial Intelligence is Shaping Digital Transformation in Organisations](#)

23 October

AIBI Higher Education's Senior Lecturer and AI expert, Mr Arda Tezcan, presents this Zoom webinar on Thursday 23rd of October at 1pm. Whether you're exploring career options or ready to take your first step into business or artificial intelligence, this session will equip you with the knowledge and inspiration to get started.

General

[Experience a Gap Year in Canada](#)

If you're 18 to 35 (18 to 30 in some countries), come work and travel in Canada through International Experience Canada (IEC)! It's a government program designed to help you

- gain valuable international work experience
- improve your language skills in English and French
- work in Canada and fund the trip of a lifetime

[Busting trade worker stereotypes needed to fix the skills shortage](#)

Skilled trades jobs for workers using STEM skills are many and varied – we just need more people to choose them!

Shortages of skilled trade workers are acute in Australia, with more than 50% of jobs going unfilled and the situation getting worse this year.

[VET qualifications that combine STEM + your passion!](#)

Want to be super employable and love what you do every day? Skill up in STEM AND the area you're interested in. Here's how...

We've tracked down 10 VET qualifications that combine STEM + X – where 'X' is your an interest, another subject, a big opportunity or life-changing goal – so you'll be prepared for future jobs while pursuing your passions.

[New South Wales Police Academy Open Day](#)

27 September

Welcome to the New South Wales Police Academy Open Day which will take place on Saturday the 27th September 2025 from 10.00am to 2.00pm.

[NSW Police - Practice PCT Session](#)

18 October

This event is designed for those who want to Practice the PCT. We will explain and demonstrate each physical capacity test. Strict 9am start time.

This Practice PCT session is designed for those that wish to practice or have any questions regarding the PCT! We will explain and demonstrate Beep tests, push ups, hand grip, agility, jump and reach, hover.

Please wear PT/fitness attire. Public transport is recommended as parking can be quite expensive.

Who can attend? Session 1 students, current Applicants, and future Applicants

Please note this is not a PCT test, it is a practice PCT. You must register to attend this event by the 10th October. Limited spots are available.
